Types of Words Allowed

Any words (noun, verb, adjective, adverb, etc.), plural of, form of, or tense is acceptable as long as it can be found in a standard English dictionary. Proper nouns (Smith, Ohio, France, etc.) are not allowed. Words within words are also permissible: spare, spa, par, are, spar, pare.

Scoring and Winning

When time runs out, the timer light will stop flashing red and make a soft beep. All players must stop writing. Each player in turn then reads his or her list aloud. Any word that appears on more than one player's list must be crossed off all lists – and no one gets credit for it!

Players score their remaining words as follows:

NO. OF LETTERS	3	4	5	6	7	8 or more
POINTS	1	1	2	3	5	11

The winner is the player 1) who earned the most points when play stopped, or 2) who is the first player to reach the tournament score – 50 points, 100 points, or whatever was decided before playing.

Things to Remember

- Multiple meanings of the same spelling do not earn multiple credit. For example, the word t-e-a-r for rip or cry counts only once.
- The same word found by a player in different areas of the grid may not be counted for multiple credit.
- The QU counts as two letters.
- Both the M and the W have a line under them.
- The Z has a line under it and should not be read as an N.
- You get full credit for both the singular and plural of a noun – as long as you wrote down both. See Figure 3: OIL and OILS.
- For the highest score, look for unusual words that others might miss – and that will earn you more points!
